

Farm Camp Subsidy Application

Generous support from [The Guelph Community Foundation](#) has allowed us to offer subsidies to help make Farm Camp more accessible to campers. This support is provided to Families facing financial barriers and to those applications that exhibit genuine need for assistance. We ask all families to complete this application form.

Criteria that will be taken into consideration:

- Number of children in the family within the ages 5 to 14
- Caregivers are attending a college or institutional training program
- Your child has developmental needs
- You have experienced a sudden change in your financial circumstance

Procedure:

It is recommended that families receiving an Everdale Farm Camp fee subsidy contribute a portion of the camp fees, per child, per camp session, but please let us know if this is still a barrier to your family. If a subsidy is provided it must be used for the child and camp session approved by the camp supervisor and they are not transferable to another Everdale program. If you have received a subsidy in the past, please submit a new application each year, as funding opportunities and circumstances change annually. Applications are reviewed on a first come first served basis and are limited, so please apply early to avoid disappointment.
